

1. Accessing the Platform

To begin using the Rang Kala Academy portal, you must first authenticate your identity through the secure login gateway.

1.1 Logging In

1. **Email Address:** Enter the email address associated with your registered account (e.g., student@example.com or admin@rangkala.com).
 2. **Password:** Input your secure password.
 - *Tip:* Click the **Eye Icon** in the password field to toggle visibility and ensure accuracy before submitting.
 3. **Remember Me:** Check this box if you are using a private device and wish to stay logged in for future sessions.
 4. **Action:** Click the **Log In** button to access your personalized dashboard.
-

1.2 Account Recovery & Registration

- **Forgot Password?** If you cannot recall your credentials, click the "Forgot password?" link to initiate a password reset via your registered email.
- **New Users:** If you do not have an account, click "**Join Rang Kala Academy**" at the bottom of the card to proceed to the registration page.

The image shows a login form titled "Welcome Back" with the subtitle "Log in to Rang Kala Academy". It features two input fields: "Email Address" with the placeholder "you@example.com" and "Password" with a masked input ".....". A "Forgot password?" link is positioned to the right of the password field. Below the password field is a "Remember me" checkbox. A dark blue "Log In" button is centered at the bottom of the form. At the very bottom, there is a link that says "Don't have an account? Join Rang Kala Academy".

2. Creating an Account

If you are new to Rang Kala Academy, you will need to create a profile to access our competition and management tools.

2.1 Registration Steps

To set up your account, fill in the following details on the "Create an account" page:

1. **Full Name:** Enter your legal name as it should appear on academy records and certificates.
2. **Email Address:** Provide a valid email. This will be used for account verification and official academy communications.
3. **Password & Confirmation:** Create a strong password to protect your account.
 - Re-type the password in the **Confirm Password** field to ensure they match.
 - *Note:* Use the "**Show**" toggle if you need to double-check your typing.
4. **Registering As (User Role):** Select your primary role from the dropdown menu. This determines the features and permissions you will have access to caregiver and student.
5. **Age:** Enter the age of the registrant.
 - **Requirement:** For Student accounts, the age must be between **5 and 15 years**.

2.2 Finalizing Registration

- **Action:** Click the **Register** button to submit your information and create your profile.
- **Returning Users:** If you realized you already have an account, click the **Sign in** link at the bottom to return to the Login page.

The image displays two versions of the 'Create an account' form for Rang Kala Academy, side-by-side. Both forms have a header with the title 'Create an account' and the subtitle 'Join Rang Kala Academy'.

Left Form (Student Role):

- Confirm Password:** A text input field with the placeholder 'Confirm your password' and a 'Show' toggle button.
- Registering as:** A dropdown menu with 'Student' selected.
- Age:** A text input field with the placeholder 'Enter age (5 - 15)'. Below it, a note states 'Student age must be between 5 and 15.'
- Register:** A prominent blue button.
- Footer:** A link that says 'Already registered? [Sign in](#)'.

Right Form (Caregiver Role):

- Name:** A text input field with the placeholder 'Enter your full name'.
- Email Address:** A text input field with the placeholder 'Enter your email address'.
- Password:** A text input field with the placeholder 'Create a password' and a 'Show' toggle button.
- Confirm Password:** A text input field with the placeholder 'Confirm your password' and a 'Show' toggle button.
- Registering as:** A dropdown menu with 'Caregiver' selected.
- Register:** A prominent blue button.
- Footer:** A link that says 'Already registered? [Sign in](#)'.

3. Admin Dashboard Overview

The Admin Dashboard provides a comprehensive interface for managing competitions, overseeing user data, and handling administrative tasks.

3.1 Admin Control Panel

The sidebar on the left allows you to navigate through core administrative functions:

- **Manage Users:** View, edit, or manage profiles for all registered students, teachers, and parents.
- **Review & Grade:** Access pending submissions and assign grades or feedback.
- **Certificates:** Generate and make sure the template is official Rang Kala Academy certificates to participants.
- **Deactivation Requests:** Review and process requests from users who wish to deactivate their accounts.
- **+ Create Competition:** A quick-action button to launch a new art contest or academic event.

3.2 Managing Competitions

The main table allows you to monitor all academy events briefly:

1. **Search & Filter:** Use the search bar to find specific competitions by name or use the "All Status" dropdown to filter by **Ongoing**, **Completed**, or **Cancelled**.
2. **Competition List:** View details including the event name, status, and the submission deadline.
3. **Quick Actions:**
 - **View:** Open full details and participant lists for a competition.
 - **Edit:** Modify competition details like dates or descriptions.
 - **Cancel:** Terminate an active competition if necessary.

3.3 Navigation & Tools

- **Read Aloud:** Click this in the top navigation bar to activate the text-to-speech accessibility feature.
- **Notifications:** The bell icon alerts you to new registrations, submission updates, or urgent system messages.
- **Admin Profile:** Access account settings or log out via the dropdown menu in the top right corner.

4. User Management

The **Manage Users** screen allows administrators to oversee all accounts, control access levels, and manage the relationships between students and their caregivers.

4.1 User Directory & Filtering

You can quickly locate and organize users using the following tools:

- **Search Bar:** Search for specific individuals by entering their full name or registered email address.
- **Role Filter:** Use the dropdown menu to narrow down the list by account type: **Admin**, **Teacher**, **Caregiver**, or **Student**.
- **Deactivation Requests:** A quick-access button to view users who have requested to close their accounts.
- **+ Create User:** Manually add a new user to the system which involves teachers and administrators

4.2 Managing User Records

The table provides a high-level view of account statuses and essential actions:

1. **Status Indicator:** View whether an account is currently **Active** or inactive.
2. **Caregiver Assignment:** For student accounts, use the **+ Assign Caregiver** dropdown to link a student to their parent or guardian. This ensures the correct caregiver can view the student's progress and certificates.
3. **Account Actions:**
 - **Edit:** Update user profile information, such as name, email, or assigned role.
 - **Deactivate:** Temporarily or permanently disable a user's access to the portal.

5. Reviewing & Grading Submissions

The **All-Submissions** dashboard is the primary workspace for evaluating student work, managing academic records, and tracking competition progress.

5.1 Grading Overview & Financials

At the top of the page, you can monitor the current workload and administrative data:

- **Pending vs. Reviewed:** These counters provide a real-time tally of how many artworks are awaiting evaluation versus those that have already been scored.
- **View Financial Records:** A quick link to access the academy's financial data, likely related to competition entry fees or tuition payments.

5.2 Managing the Submission Queue

To keep the evaluation process organized, use the following tools:

1. **Search & Filter:** Search by the student's name or the title of the artwork. You can also filter the list by **Specific Competition** or by **Status** (Pending vs. Reviewed).
2. **Submission Details:** Each entry displays a thumbnail of the **Artwork**, the **Student's Name**, the **Competition** they entered, and the date it was submitted.
3. **Grading Status:**
 - **Pending:** Submissions that need a score. Click "**Grade Now**" to open the evaluation interface.
 - **Reviewed:** Submissions that have already been graded. This view shows the assigned **Score** and identifies which staff member **Graded By**.

5.3 Evaluation Actions

- **Grade Now:** Launch the grading module to provide scores and feedback for new submissions.
- **Edit Grade:** If a score needs adjustment or a re-evaluation is requested, use this button to modify existing records.

5.4 Individual Grading & Feedback

When you select an artwork to grade, you are taken to the **Grade Submission** interface. This page allows for a detailed review of the student's work and the formal entry of their performance data.

A. Artwork & Submission Info

- **Visual Review:** A high-resolution preview of the artwork is displayed on the left.
- **Contextual Data:** Below the image, you can confirm the **Submission Information**, including the artwork's **Title**, the **Student's Name**, and the specific **Competition** it belongs to.
- **Student Description:** Read the student's personal description of their work to better understand their creative intent before assigning a score.

B. Grading & Feedback

1. **Score (0 – 100):** Enter the numerical grade for the submission.
2. **Feedback & Comments:** Provide constructive criticism, praise, or specific notes for the student.
 - *Note:* This feedback is vital for the student's artistic growth and is viewable on their personal dashboard.
3. **Update Grade & Feedback:** Click this button to save the data and change the status from "Pending" to "Reviewed."

C. Certificate Management

- Generate Certificate Manually:** If the student has met the criteria for an award or completion, use this button to trigger the manual generation of their certificate based on the active templates.

7. Financial Records & Transaction Tracking

The **Financial Records** page provides a transparent, real-time ledger of all payments made by students for competition entries. This allows administrators to monitor revenue and audit the exact timing of every transaction.

7.1 Transaction Ledger Overview

The main table displays a chronological history of all academy transactions with high precision:

- Date:** The calendar date the payment was initiated.
- Student:** The name of the student who registered for the event.

- **Competition:** The specific contest associated with the payment (e.g., National Oil, National Painting).
- **Amount:** The total fee paid for the entry (e.g., ₹50.00 or ₹100.00).
- **Timestamp:** This indicates the exact stage or completion status of the transaction within the system's processing timeline, ensuring every payment is accounted for.
- **Receipt:** Provides a direct **Download** link for a digital copy of the payment confirmation.

7.2 Administrative Actions

- **Record Archiving:** Use the **Archive** button to move processed and reconciled transactions into long-term storage. This helps keep the current financial view focused on recent activity.
- **Receipt Management:** Administrators can download receipts to resolve any payment disputes or to provide proof of purchase to parents and caregivers.

8. Certificate Template Settings

8.1 Certificate Background Template

This section controls the main visual design of the certificate:

- **Current Template Preview:** View the active background currently being used for all generated certificates.
- **Upload New Background:**
 - **File Format:** Supports **PNG** or **JPG**.
 - **Requirement:** For the best results, use an **A4 Landscape** ratio (1123 x 794 px or larger).
 - **Size Limit:** Maximum file size is **5 MB**.

8.2 Academy Signature (Optional)

To add a layer of authenticity, you can upload a digital signature:

- **Current Signature Preview:** Shows the signature that will be automatically placed on the "Signature" line of the certificate.
- **Upload Signature:**
 - **File Format:** **PNG only** is recommended to ensure a transparent background that blends seamlessly with the certificate template.
 - **Size Limit:** Maximum file size is **5 MB**.

8.3 Saving Changes

- **Save Templates:** Once you have uploaded your new files, click the **Save Templates** button at the bottom to apply the changes system-wide.

9. Deactivation Requests

The **Deactivation Requests** module is a dedicated security area where administrators review and approve requests from users who wish to disable their accounts.

9.1 Monitoring Pending Requests

- **Pending Count:** The red banner at the top provides a quick tally of how many requests are currently awaiting your attention.
- **Request Queue:** When a user (Student, Teacher, or Caregiver) submits a request to leave the platform, their details will appear in this list.
 - **User:** The display name of the requester.
 - **Email:** The contact address associated with the account.
 - **Action:** You will have the option to approve or deny the deactivation from this column.

9.2 Empty State

- When there are no active requests, the system displays a "**No pending deactivation requests**" message. This indicates that all user accounts are currently active or have already been processed.

9.3 Navigation

- **Back to Manage Users:** Use this link at the top right to return to the primary user directory once you have finished reviewing requests.

10. Creating a New Competition

10.1 Competition Details

- **Competition Title:** Enter a clear, descriptive name for the event (e.g., *National Painting Competition 2026*).
- **Description:** Provide a thorough overview of the competition, including the theme and eligibility requirements. (**minimum of 50 characters**)

- **Rules & Guidelines:** List specific instructions, such as medium requirements (oil, watercolor, digital), sizing, and the academy's anti-plagiarism policy.

10.2 Dates & Finance

- **Competition Start Date:** Use the calendar picker to select when the competition will open for submissions.
- **Submission Deadline:** Set the exact date and time the portal will stop accepting entries.
 - *Tip:* Ensure the deadline is set after the start date to avoid system errors.
- **Entry Fee (INR):** Input the registration cost for the competition.
 - If the competition is free to enter, set this value to **₹ 0.00**.
 - If there is a fee, this amount will be tracked in the **Financial Records** module once students pay.
- **Create Competition:** Click this button to save the settings and publish the event to the platform.
- **Cancel:** If you wish to discard the draft and return to the main dashboard without saving, click the "Cancel" link.

11. Caregiver Dashboard

The **Caregiver Dashboard** is designed for parents and guardians to monitor their children's artistic journey, track competition involvement, and celebrate their achievements.

11.1 Quick-Look Statistics

At the top of the dashboard, caregivers can see a high-level summary of their linked accounts:

- **Children:** Total number of students managed under this caregiver account.
- **Competitions:** Number of active events the children are participating in.
- **Submissions:** Total artworks successfully uploaded.
- **Awards:** Total certificates or recognitions earned.

11.2 Monitoring Competitions

The **Competitions** section allows caregivers to stay informed about upcoming and active events:

- **Filter Options:** Sort events by **Upcoming**, **Ongoing**, or **Completed** to prioritize deadlines.
- **Event Cards:** Each card displays the competition name (e.g., *National Oil*), the start date (indicated by the calendar icon), and the final submission deadline (indicated by the clock icon).
- **Status Tags:** Quickly see if a competition is currently **Ongoing** or finished.

11.3 Managing Your Children

The **Your Children** section provides direct access to individual student progress:

- **Student List:** See a list of all children linked to your account.
- **View Dashboard:** Click this link to go deeper into a specific child's profile, where you can view their specific submissions, feedback from teachers, and download their certificates.

11.4 Caregiver Panel (Sidebar)

- **Dashboard:** Returns you to this main overview page.
- **Children:** Provides a detailed list management view for all linked students.

12. Student-Specific Dashboard

This dashboard acts as a bridge between Caregivers and Students, providing a focused view of an individual student's progress and achievements.

12.1 Core Modules

The interface is organized into three primary categories:

- **Submissions:** View and track all artworks uploaded by the student. Monitor the status of active entries or review past work.
- **Certificates:** Access the "Wall of Honor." View and download all officially issued Certificates of Achievement earned through competitions.
- **Performance:** Track artistic growth through visual analytics and score history. This module highlights consistency and skill evolution over time.

12.2 Navigation

- **Return Path:** Use the "**Back to Dashboard**" button to return to the main Caregiver overview.
- **Identity Check:** The header (e.g., "*Priyesh's Dashboard*") confirms which student's records are currently active.

13. Student Dashboard

The **Student Dashboard** is the creative hub where students discover upcoming competitions and manage their personal art portfolio.

13.1 Activity Overview

The top counters provide an immediate summary of your participation:

- **Total Competitions:** The overall number of events hosted by the Academy.
- **Registered:** The number of contests you have joined.
- **Available:** New opportunities currently open for registration.

13.2 Student Panel & Navigation

Use the sidebar for quick access to core creative features:

- **Submit Artwork:** Upload your latest work to an active competition.
- **My Submissions:** View your pending and reviewed entries.
- **Portfolio:** A curated collection of your best works.
- **Certificates:** Access and download your earned awards.

13.3 Competition Explorer

Organize your participation using the collapsible status bars:

1. **Ongoing:** Current contests open for work.
2. **Upcoming:** Future events to prepare for.
3. **Closed:** Past competitions that are now in the grading or finished phase.

14. My Portfolio

The **My Portfolio** page acts as your personal digital gallery, showcasing all your submitted works and competition entries in one organized space.

14.1 Gallery Organization

- **Total Artworks:** A live counter at the top right showing the number of pieces in your collection.
- **Style Filters:** Quickly sort through your work by selecting specific categories like **Sketching**, **Watercolour**, **Digital**, **Oil Pastels**, or traditional styles like **Madhubani** and **Warli**.

14.2 Artwork Management

Each artwork card provides key details and management options:

- **Identification:** View the artwork title, the medium used, and the specific competition it was entered into.
- **Badges:** Entries currently part of an active contest are marked with a "**Competition Entry**" badge.
- **Actions:** * **Edit:** Modify the title or description of your submission.
 - **Delete:** Remove an entry from your portfolio (use with caution).

15. My Certificates

The **My Certificates** page is where you can view, celebrate, and download the official awards you have earned through your participation in Rang Kala Academy competitions.

15.1 Achievement Gallery

- **Certificates Earned:** A counter at the top right tracks your total number of official recognitions.
- **Award Cards:** Each card represents a unique achievement and displays:
 - **Competition Name:** The specific event you participated in.
 - **Award Date:** The day the certificate was officially issued.
 - **Winning Artwork:** The title of the specific piece that earned the award.

15.2 Managing Your Awards

- **Preview:** Open a full-screen view of your certificate to see the design, your name, and the official academy signature.

- **Download Certificate:** Save a high-quality PDF version of your award to your device for printing or sharing on social media.

16. Submitting Your Artwork

The **Submit Artwork** portal is where you finalize your entry for competition.

16.1 Unlocking the Competition

1. **Select Competition:** Choose your desired event from the dropdown menu.
2. **Payment Verification:** * If the event is paid, click "**Pay to Unlock**" to process the entry fee.
 - Once processed, a green banner will confirm: "**You have already paid for this competition.**" The submission form will then automatically appear.

16.2 Submission Form Details

Fill out the following fields to complete your entry:

- **Artwork Title:** Give your masterpiece a creative name.
- **Description:** Describe your work in detail.
 - *Note:* A **minimum of 50 characters** is required to help teachers understand your vision.
- **Art Style:** Select the medium used (e.g., Sketching, Digital, Watercolour) from the dropdown list.
- **Upload Image:** Select your file.
 - **Format:** JPG or PNG only.
 - **Limit:** Maximum file size of **5 MB**.

16.3 Final Step

Click **Submit Artwork** to send your piece to the academy. Once submitted, your entry will appear in your **Portfolio** and be ready for teacher review.

The image shows a 'Submit Artwork' form with a 'Back to Dashboard' link at the top left. The form title is 'Submit Artwork' with a subtitle 'Choose a competition and upload your creative work.' Below this is a 'Competition' dropdown menu currently set to 'National Painting'. A red notification box states 'Paid Competition — Payment required before submission.' with a button 'Pay ₹50.00 to Unlock'.

The image shows a more complete 'Submit Artwork' form. It includes a 'Competition' dropdown set to 'National Painting' with a green notification 'You have already paid for this competition.' Below are fields for 'Artwork Title' (filled with 'Sunset Over the Mountains'), 'Description' (with a placeholder 'Describe your artwork in detail (minimum 50 characters)...' and a 'Minimum 50 characters required' note), and 'Art Style' (a dropdown set to '-- Select art style --'). An 'Upload Image' section features a 'Choose File' button and the text 'No file chosen'. At the bottom, a note specifies 'Upload your artwork (JPG & PNG • Max 5MB)' and a large 'Submit Artwork' button.

17. Teacher Dashboard

The **Teacher Dashboard** is a specialized interface that allows faculty members to oversee competitions and evaluate student progress efficiently.

17.1 Teacher Control Panel

The sidebar provides quick access to core faculty responsibilities:

- **+ Create Competition:** Teachers can design and launch new contests, just like administrators.
- **Review & Grade:** The primary workspace for viewing pending submissions and providing feedback.

17.2 Competition Management

The central table displays all relevant events:

- **Search & Filter:** Find competitions by name or filter by status (**Ongoing**, **Completed**, or **Cancelled**).
- **Deadlines:** Monitor the **Submission Deadline** column to prepare for upcoming grading periods.
- **Faculty Actions:**
 - **View:** Check competition details and participant lists.
 - **Edit:** Modify settings for events you have created.
 - **Grade:** Jump directly to the evaluation queue for that specific competition.

17.3 Accessibility & Alerts

- **Read Aloud:** Use this tool to have dashboard content read to you.
- **Notifications:** Keep track of new submissions or academy announcements via the bell icon.
